HOW SOON IS NOW?

Written by Morrissey, J. Marr
Published by Morrissey Marr Songs, Ltd. admin. by Warner-Tamerlane (BMI).
Produced by Martin Kierszenbaum & Robert Orton

I am the son I am the heir
Of a shyness that is criminally vulgar
I am the son and heir Of nothing in
particular You shut your mouth How can
you say I go about things the wrong way?
I am human and I need to be loved Just like everybody else does
There's a club if you'd like to go
You could meet somebody who really loves you
So you go and you stand on your own
And you leave on your own And you go home, and you cry,
and you want to die When you say It's gonna happen now
What exactly do you mean? See I've already waited
too long And all my hope is gone You shut your mouth
How can you say I go about things the wrong way?
I am human and I need to be loved
Just like everybody else does

ALL THE THINGS SHE SAID

Written by T. Horn Martin Kierszenbaum, E. Kiper, Vukoja
Published by Unforgettable Songs Ltd., Spg Music Inc (BMI), Martin Kierszenbaum (BMI), Hellsmut
Produced by Trevor Horn

All the things she said All the things she said
Running through my head All the things she said
All the things she said Running through my head
This is not enough I'm in serious s-t, I feel totally lost
If I'm asking for help it's only because
I keep closing my eyes but I can't shut you out
Could I ever believe such a perfect surprise?
I keep asking myself, wondering how
Wanna fit in a place where I'm not welcome
and me Nobody else so we can be free

All the things she said
All the things she said
Running through my head
All the things she said

All the things she said
Running through
my head This is not enough
This is not enough All the things she said
And I'm all fucked up, feeling connected and crushed
They say its my fault but I want her so much
Wanna fit her inside where the sun and rain
Come in over my head where she can wash away all the shame
'Cause I'm feeling for her, what she's feeling for me
I can try to pretend, I can try to forget
But its driving me mad, going out of my head
Mother, looking at me!!!! Daddy looking at me Wolf
Yes, I've lost my mind! what do you see?
I've created the lust I've created the lust
I've created the lust

LOVES ME NOT

Written by E. Bullen, Andy Richmonds, Published by T.A. Music
Produced by Ed Bullen, Andy Richmonds & Martin Kierszenbaum

I complicated our lives By falling in love with him
I complicated our lives Now I'm losing my only friend
I don't know why I had to try Living my life on the
other side Now I'm so confused I don't know
what to do He loves me He loves me not
She loves me She loves me not
He loves me He loves me not She loves me
He loves me He loves me not She loves me
I started blurring the lines 'Cause I didn't care
I started crossing the line 'Cause you were
never there Nowhere to turn No one to help
me, there Nowhere to turn No one to help
Its almost like I don't even know myself Now
I have to choose
I don't what to do
I don't what to do
He loves me
He loves me not
She loves me
She loves me not
He loves me not
He loves me
He loves me not
She loves me
She loves me not
He loves me

Is it too late? Nothing to salvage You look away Clear of the damage The meaning to Our words of love Has disappeared
We used to love one another Give to each other Lie undercover so Are you friend or foe Love one another Live for each other
So are you friend or foe 'Cause I used to know The promises Hollow concessions An innocent Show of affection I touch your hand
A hologram Are you still there We used to love one another Give to each other Lie undercover so Are you friend or foe
Love one another Live for each other So are you friend or foe 'Cause I used to know We used to We used to Is it too late?
Nothing to salvage You look away Clear of the damage The meaning to Our words of love Has disappeared We used to love one another Give to
each other Lie undercover so Are you friend or foe Love one another Live for each other So are you friend or foe 'Cause I used to know

Tell me with perfection in your voice That you never really had a choice Place on me the burden of the best Offer
me the future and take it back Show me what you never meant to showTell me what I'm not supposed to know Contradict
me when you're in the wrong Don't commit to anything at all My life is Null and Void
Dismantled and Destroyed My life is Null and Void My life is Null and Void Fill me with
compassion and concern Thrill me with an unexpected turnTell me with the secrets that you hold
Don't divulge until you're in control Show me what you never meant to show Tell me what I'm not
supposed to know Contradict me when you're in the wrong Don't commit to anything at all
My life is Null and Void Dismantled and Destroyed My life is Null and Void
My life is Null and Void My life is Null and Void Dismantled and Destroyed

SHOW ME LOVE
Music by S. Galoyan Lyrics by M. Kierszenbaum, V. Polenko. Published by Martin Cherrytree Music (BMI), Nefermat Produced by Martin Kierszenbaum & Robert Orton

This was an accident Not the kind where sirens sound Never even noticed We're suddenly crumbling Tell me how you're
never felt Delicate or innocent Do you still have doubts that Us having Faith makes any sense Tell me nothing ever counts
Lashing out or treating down Still somebody loses 'cause There's no way to turn around Staring at your photograph
Everything now in the past Never felt so lonely IWish that you could show me love Show me love,
show me love, show me love Show me love, show me love 'Til you open the door Show me love, show me love, show me love
Show me love, show me love 'Til I'm up off the floor Show me love, show me love, show me love 'Til I'm screaming for more
'Til it's inside my pores Show me love, show me love, show me love, show me love
Random acts of mindlessness Commonplace occurrences Changes and surprisesAnother state of consciousness
Tell me how you're never felt Delicate or innocent Do you still have doubts that Us having Faith makes any sense
Tell me nothing ever, counts Lashing out or treating down Still somebody loses 'cause
There's no way to turn around You play games; I play tricks Girls and girls, but you're the one Like a game
of pick-up-sticks Played by fucking lunatics Show me love, show me love Give me all that I want

Original Album Version Produced by Sergio Galoyan, Dennis Ingleby
& Martin Kierszenbaum Remix by She Wants Revenge

Games we don't want to play Same mirror, everyday
Fall for the second last Feel no more, feel no loss
We have our minutes out We lose our feelings but
That's what the movies show This is where the stories go
Stars we don't want to reach Scars we don't want to stitch
Something we've never seen Fly away, time machine
Clouds, we will chase them out Oceans, we will trace them
Down This is our secret place Outer space, outer space
Our home forever, new destiny; outer space Forever
Stars, outer space New hope, new destiny; outer space Forever
We'll be in outer space, outer space Ground We don't
want to feel Found, they they couldn't steal
Time, we were really lost Bridges burned, turning around We, shall we go; be Free
with no guarantee Life on another planet Same, same again Go where you want to go
'No, love will never grow Out, there's not one star In my Eye, can you tell me why? This is our secret place Outer space,
Day every star in my Eye, can you tell me why? This is our secret place Outer space,
outer space Our home forever, new destiny; outer space Forever We'll be in outer space, outer space Ground We don't
outer space Forever we'll be in outer space Black stars in endless seas, outer space New hope,
place we're meant to be Stars are dancing and the time is fading Die forever, you and me, you and me
There's no place, there're no moons, no black holes There're no dead souls,
we are freeTheres no heaven, there are no oblivions There will always be you and me,
you and me Our home forever, new destiny; outer space Black stars in endless seas,
outer space New hope, new destiny; outer space Forever
We'll be in outer space, outer space

30 MINUTES
Written by S. Galoyan, M. Kierszenbaum, I. Shaporalov, V. Polenko, Published by
Martin Cherrytree Music (BMI), Nefermat Produced by Martin Kierszenbaum & Robert Orton

Out of sight Out of mind Out of time To decide Do we run? Should I hide? For
the rest of my life can we flyI do I stay? we could lose we could fail in the moment it takes to make
plans or mistakes Thirty minutes a blink of an eyeThirty minutes to alter our lives Thirty minutes to
make up my mindThirty minutes to finally decide Thirty minutes to whisper your name
Thirty minutes to shoulder the blame Thirty minutes of bliss, thirty lies Thirty minutes of
finally decide Carousels In the sky That we shapeWith our eyes Under shade Silhouettes Casting
shameCrying rain can we flyI do I stay? we could lose we could fail

Either way Options change Chances fade Trains derail
Thirty minutes a blink of an eye Thirty minutes to alter our lives
Thirty minutes to make up my mind Thirty minutes to finally decide
Thirty minutes of screaming your name Thirty minutes to shoulder the blame
Thirty minutes of bliss, thirty lies Thirty minutes of finally decide
To decide – to decide, to decide, to decide
To decide – to decide, to decide, to decide

to explanations? I'm not pretending to make it simple
Try to be something experimental You don't turn me off I will
never fail Things I loved before Are now for sale
Keep yourself away Far away from me I'll forever stay your
Perfect enemy Perfect enemy No longer waiting, remove illusions
No more complaining, forget confusion No more compassion,
no sentimental I am now something experimental You
don't turn me off I will never fail Things I loved before
Are now for sale Keep yourself away Far away from me
I'll forever stay your Perfect enemy Perfect enemy

NAS NE DAGONIAT (NOT GONNA GET US RUSSIAN VERSION)

Music by S. Galoyan Lyrics by E. Kiper, V. Poliente Published by Neformat Produced by Trevor Horn

Нас не догонят
Только скажи
Дальше нас двое
Только огни
Аэродрома
Мы убежим
Нас не догонят
Дальше от них
Дальше от дома
Ночь-проводник
Спрячь наши тени
За облака
За облаками
Нас не найдут
Нас не изменят
Им не достать
Звезды руками

Небо уронит
Ночь на ладони
Нас не догонят
Небо уронит
Ночь на ладони
Нас не догонят
Нас не догонят

Мы убежим
Все будет просто
Ночь упадет
Небо уронит
И пустота
И пустота на перекрестках
И пустота нас не догонит
Не говори им не понятно
Только без них
Только не мимо

Лучше никак
Но не обратно
Только не с ними
Только не с ними

Нас не догонят

Небо уронит
Ночь на ладони
Нас не догонят
Нас не догонят
Небо уронит
Ночь на ладони
Нас не догонят

YA SOSHIA S'UMA (ALL THE THINGS SHE SAID RUSSIAN VERSION)

Music by S. Galoyan Lyrics by E. Kiper, V. Poliente Published by Neformat Produced by Trevor Horn

Я сошла с ума, я сошла с ума
Мне нужна она, мне нужна она
Я сошла с ума, я сошла с ума
Мне нужна она, мне нужна она
Я со-шла с у-ма
Меня полностью нет,
Абсолютно всерьез.
Ситуация help
Ситуация SOS.
Я себя не пойму
Ты откуда взялась
Почему, почему?
На тебя повелась
Выключается свет
Я куда-то лечу
Без тебя меня нет
Ничего не хочу

Это медленный яд
Это сводит с ума
А они говорят – виноватa сама
А они говорят – виноватa сама
Я сошла в ума, я сошла с ума
Мне нужна она, мне нужна она
Я сошла с ума, я сошла с ума
Мне нужна она, мне нужна она
Я со-шла с у-ма
Мне ну-жна о-наа
Без тебя я не я
Без тебя меня нет
А они говорят,
Говорят это бред

Это солнечный яд.
Золотые лучи
А они говорят
Надо срочно лечить
Я хотела забыть до упора и вниз
Я считала столбы и растерянных птиц
Без тебя меня нет, отпусти, отпусти.
До угла не стане, мама-папа прости..
Я сошла с ума, я сошла с ума
Мне нужна она, мне нужна она
Я сошла с ума, я сошла с ума
Мне нужна она, мне нужна она

Раз, два после пяти
Ма-ма папа прости
Я со-шла с у-ма
Раз, два после пяти
Ма-ма папа прости
Я со-шла с у-ма
Я сошла с ума, я сошла с ума
Мне нужна она, мне нужна она
Я сошла с ума, я сошла с ума
Мне нужна она, мне нужна она
Я сошла с ума, я сошла с ума
Я сошла с ума, я сошла с ума
